

RARRR! Giant Gorilla Paper Model!

Cut out and assemble your very own Giant Gorilla paper model.
Be sure to play the RARRR! card game!

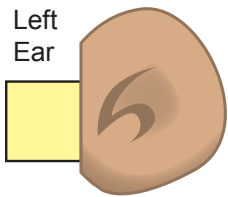

If you've assembled everything properly, the finished product should look like **this**.

Use an X-Acto knife to cut slits along the short black lines inside the green areas of the body. Insert the arms and horns into these slits.

Fold and glue all white tabs to the inside of the figure.

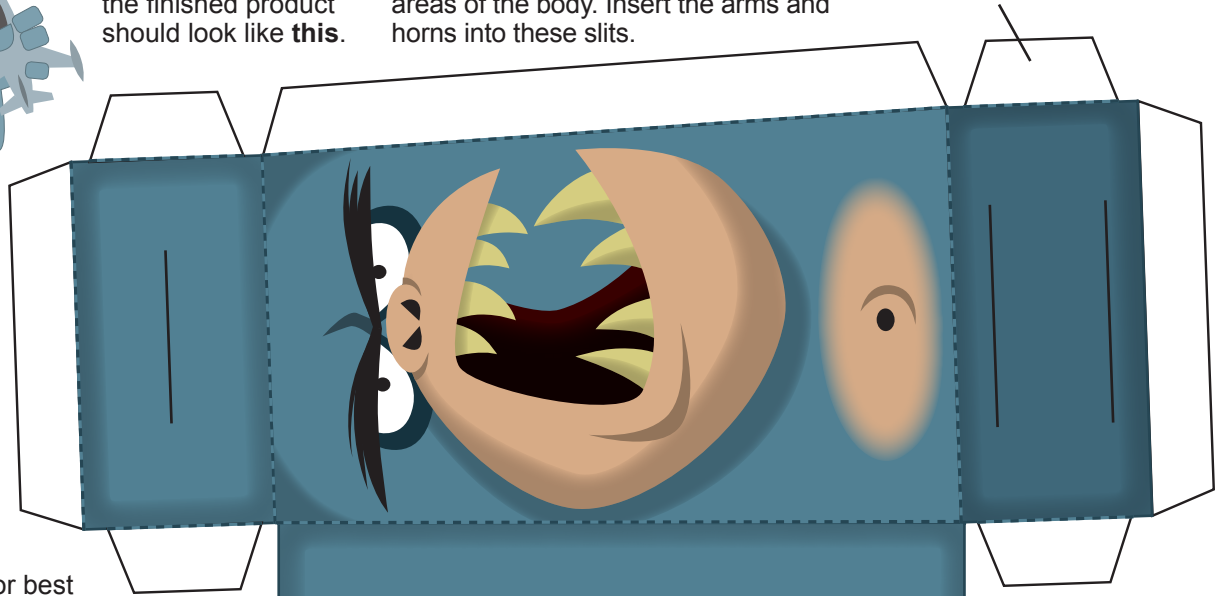

Left Ear

Cut solid lines. For best results use an X-Acto knife.

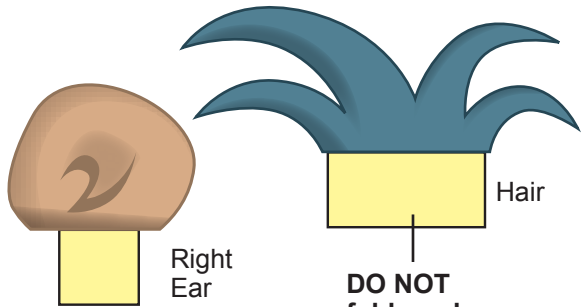

Fold dashed lines. If you're daring you can lightly score the dashed lines to make folding easier.

Body

Insert arm tabs into the lower slots on either side of the body.

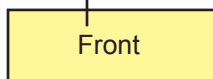

Right Ear

Hair

DO NOT fold or glue yellow tabs!

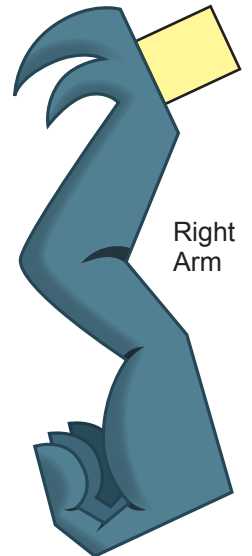

Insert ear tabs into the upper slots on either side of the body.

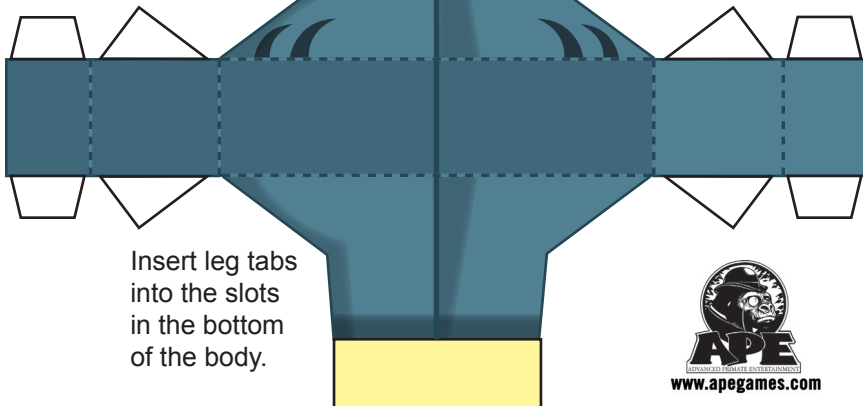

Front

Be careful cutting out the parts!

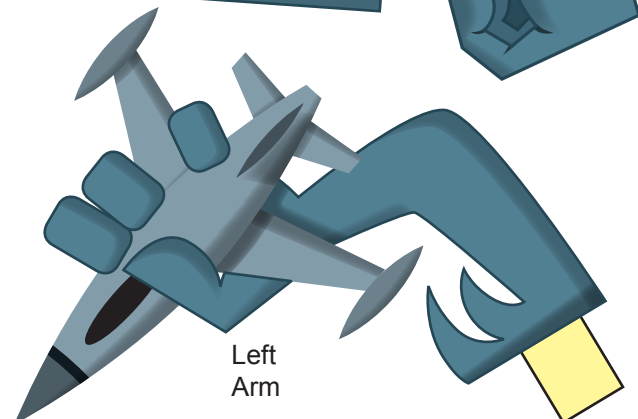

Legs

Right Arm

Insert leg tabs into the slots in the bottom of the body.
