

RARRR! Radioactive Lizard Paper Model!

Cut out and assemble your very own Giant Radioactive Lizard paper model.

Be sure to play the RARRR! card game!

If you've assembled everything properly, the finished product should look like this.

Use the X-Acto knife to cut slits along the short black lines inside the green areas of the body.

Fold and glue all white tabs to the inside of the figure.

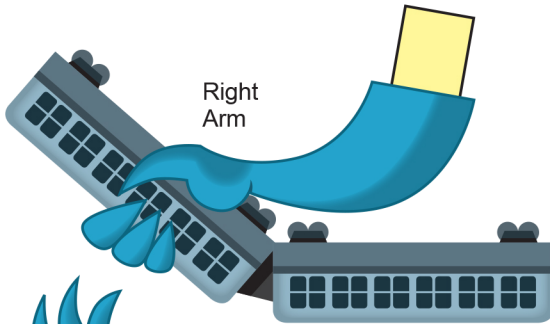

Glue halves of horn together and insert into slit above eyes

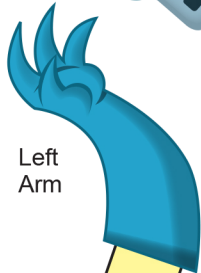

Cut solid lines. For best results use an X-Acto knife.

Fold dashed lines. If you're daring you can lightly score the dashed lines to make folding easier.
